

Men's League Format

Point System for Matches

The matches will be the same as past years, but with only a 1 point match victory. So each match will have a 10 point total, if your opponents do not show, 15 points will be awarded to your team, and your opponents will receive none. You must golf to receive the 15 points.

Elite 8

The playoffs will be starting in the month of September for 2011. Playoff matches can be scheduled for days that work best for you and your opponent if Wednesdays in September do not work. The point system will be in effect during the playoffs. The top four teams from each half are in the playoffs. If a team is in the top four of both halves, a *Wildcard* will be chosen from the second half starting at the fifth team and moving down depending on how many teams have repeated in the top four from the first and second halves of the season. Matches that are tied after nine holes will continue to the next hole until won using the point system.

Scheduling and Makeup Matches

Matches for the year will be done after the first week and handed out on the second week of Men's League. You will then have the opportunity to see who you and your partner will be playing for the entire year. If you cannot make a Wednesday, it is YOUR RESPONSIBILITY to schedule your match ahead of time with your OPPONENT before that Wednesday. If not, all points are lost. Points will be tallied every Wednesday night. There are no makeup matches after that Wednesday.

Fun Nights

This year we will have three "fun nights" each half. This will break up the stress of rigorous matches and provide some fun for all in our league. These nights are scheduled on the flyer and instructions will be provided at the organizational meeting.

Substitutions

Players that cannot reschedule may find a sub. If the sub does not have a USGA Handicap, a handicap will be given to them after the round.

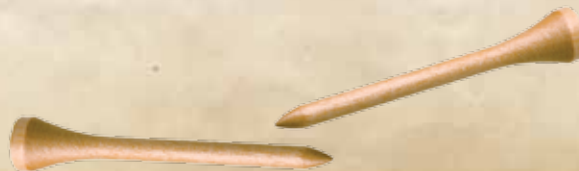

Food Nights

There will be two food nights this year. Both are at the end of each half. Dinner will be served when the first group comes off the course until the last group is finished.

Rules and Regulations

Players are encouraged to ask fellow competitors and/or partner about a rule. If entire group is uncertain, play the balls until holed and inquire in the clubhouse. Experienced golfers are encouraged to help non-experienced golfers with rules while playing. Handicaps will be placed in the official USGA handicap system, monitored closely, and updated weekly.

All USGA rules apply during all matches.

Join the Fun!

Grand National Golf Club would like to invite you to participate in the 2011 Men's League!

The 2011 league will be a different format than prior years. We will include six weeks of fun events with eight weeks of regular play. The top four teams from each half will advance to the playoffs. For more information on the new schedule change, please refer to the back of this brochure.
